Flat 42  
Schoolhouse Yard  
LONDON  
SE18 7JD

Energy rating

C

Valid until

22 August 2034

Certificate number

2631-2276-1551-3193-1260

Property type

Top-floor flat

Total floor area

36 square metres

# Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](#).

## Energy rating and score

This property’s energy rating is C. It has the potential to be B.

[See how to improve this property’s energy efficiency](#).

The graph shows this property’s current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60

## Breakdown of property’s energy performance

### Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

Assumed ratings are based on the property’s age and type. They are used for features the assessor could not inspect.

| Feature | Description                                | Rating |
|---------|--------------------------------------------|--------|
| Wall    | Solid brick, as built, insulated (assumed) | Good   |

| Feature                     | Description                                 | Rating |
|-----------------------------|---------------------------------------------|--------|
| <b>Roof</b>                 | Pitched, insulated (assumed)                | Good   |
| <b>Window</b>               | Fully double glazed                         | Good   |
| <b>Main heating</b>         | Boiler and radiators, mains gas             | Good   |
| <b>Main heating control</b> | Programmer, room thermostat and TRVs        | Good   |
| <b>Hot water</b>            | From main system                            | Good   |
| <b>Lighting</b>             | Low energy lighting in 57% of fixed outlets | Good   |
| <b>Floor</b>                | (another dwelling below)                    | N/A    |
| <b>Secondary heating</b>    | None                                        | N/A    |

## Primary energy use

The primary energy use for this property per year is 124 kilowatt hours per square metre (kWh/m<sup>2</sup>).

► [About primary energy use](#)

## How this affects your energy bills

An average household would need to spend £422 per year on heating, hot water and lighting in this property. These costs usually make up the majority of your energy bills.

You could save £22 per year if you complete the suggested steps for improving this property's energy rating.

This is based on average costs in 2024 when this EPC was created. People living at the property may use different amounts of energy for heating, hot water and lighting.

## Heating this property

Estimated energy needed in this property is:

- 657 kWh per year for heating
- 1,493 kWh per year for hot water

## Impact on the environment

This property's environmental impact rating is B. It has the potential to be B.

Properties get a rating from A (best) to G (worst) on how much carbon dioxide (CO<sub>2</sub>) they produce each year.

## Carbon emissions

An average household produces  
6 tonnes of CO<sub>2</sub>

This property produces  
0.8 tonnes of CO<sub>2</sub>

This property's potential production  
0.7 tonnes of CO<sub>2</sub>

You could improve this property's CO<sub>2</sub> emissions by making the suggested changes. This will help to protect the environment.

These ratings are based on assumptions about average occupancy and energy use. People living at the property may use different amounts of energy.

# Steps you could take to save energy

► Do I need to follow these steps in order?

---

| Step                   | Typical installation cost | Typical yearly saving |
|------------------------|---------------------------|-----------------------|
| 1. Low energy lighting | £15                       | £21                   |

# Who to contact about this certificate

## Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

Assessor's name

Abian Garcia

Telephone

07908092477

Email

[abiangarcia@icloud.com](mailto:abiangarcia@icloud.com)

## Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation scheme

ECMK

Assessor's ID

ECMK301596

Telephone

0333 123 1418

Email

[info@ecmk.co.uk](mailto:info@ecmk.co.uk)
